

Afterschool Club® Guidelines

Afterschool Club® All-Day Private Kindergarten program is designed for group participation. The following guidelines will guarantee that your child will have a safe, friendly, and fun-filled environment. The staff is in charge and your child needs to understand that all rules or instructions are to be followed.

In the unlikely event that a discipline problem cannot be resolved, the parent will be notified and expected to pick up his/her child. Please review these guidelines with your child and return the Afterschool Club Policy Handbook Guidelines Agreement Form to the office or to your director. If a child displays a discipline problem which jeopardizes the safety of others, immediate dismissal will occur.
