

Afterschool Club® Kindergarten Guidelines

Afterschool Club® program is designed for group participation. The following guidelines will guarantee that your child will have a safe, friendly, and fun-filled environment. The staff is in charge and your child needs to understand that all rules or instructions are to be followed.

We promise to enforce these rules. In the unlikely event that a discipline problem cannot be resolved, the parent will be notified and expected to pick up his/her child. Please review these guidelines with your child and return the Afterschool Club Kindergarten Policy Handbook Guidelines Form to the office or to your teacher. If a child is a serious discipline problem at any time and jeopardizes the safety of others, immediate dismissal will occur.
